4 COMPENSATION PAYMENT PROCESS

The ICF compensates the covered Clients for claims arising from the covered services provided by the Company, when failure by the Company to fulfil its obligations has been ascertained (see also below).

The following constitutes failure by the Company to fulfil its obligations:

- (a) Either to return Client fund to its covered Clients which are held by the Company indirectly in the framework of the provision by the Company to the said Clients of covered services, and which the latter requested the Company to return, in exercise of their relevant right; or
- (b) To return to the covered Clients financial instruments which belong to them and which the Company manages.

The ICF initiates the compensation payment process in one of the following situations:

- (a) the Cyprus Securities and Exchange Commission (hereinafter, "**CySEC**") has determined by Resolution that the Company is unable to meet any of its duties arising from its investors-Clients claims, in connection with the covered services it has provided, as long as such

inability is directly related to the Company's financial position which has no realistic prospect of improvement in the near future, and has issued its decision on the commencement of the compensation payment procedure by the Fund as well as has published the said decision in the Official Gazette of the Republic of Cyprus as well as on its website on the Internet.

CySEC can issue such decision when at least one of the following preconditions is fulfilled:

- i. The Company submits to the ICF or to CySEC a written statement declaring its failure to fulfil its obligations towards its Clients; or
 - ii. The Company files an application for liquidation in accordance with the provisions of Part V of the Companies Law of Cyprus; or
 - iii. CySEC has revoked or suspended the Company's authorization to provide investment services and ascertains that the Company is not expected to be in a position to fulfil its obligations toward its Clients in the near future, for reasons which do not concern a temporary lack of liquidity which can be dealt with immediately.
- (b) A judicial authority has on reasonable grounds, directly related to the financial position of the Company, made a ruling which has the effect of suspending the Clients' ability to lodge claims against the Company.

Upon issuing a decision by CySEC or by the Court, the Fund will publish in at least three (3) newspapers of national coverage, an invitation to the covered Clients to make their claims against the Company arising from the covered services, designating the procedure for the submission of the relevant applications, the deadline for their submission and their content.

The compensation applications of covered Clients with which they make their claims against the Company are submitted to the ICF in writing and must include:

- (i) The name of the claimant-Client;
- (ii) The address, telephone and fax numbers as well as any email address of the claimant-Client;
- (iii) The Client code that the claimant-Client had with the Company;
- (iv) The particulars of the covered services agreement between the ICF and the claimant-Client;
- (v) The type and amount of the alleged claims of the claimant-Client;
- (vi) The exposition of the particulars from which the alleged claims of the claimant-Client and their amount are delivered;
- (vii) Any other information the ICF might or will request.

Upon submission of the compensation applications, the Administrative Committee of the ICF has control especially if:

- (i) The claimant-Client falls within the category of covered Clients;
- (ii) The application was timely submitted;
- (iii) The claimant-Client is not convicted of a criminal offence pursuant to the Prevention and Suppression of Money Laundering Activities Law of 2007, as amended or replaced;
- (iv) The conditions for the valid submission of compensation applications are fulfilled.

The Administrative Committee rejects the compensation application in case the claimant-Client does not fulfil the conditions referred to in paragraph 5.6 above, or if at the Administrative Committee's discretion, at least one of the following reasons exists:

- (i) The claimant-Client used fraudulent means in order to secure the payment of compensation by the ICF, especially if it knowingly submitted false evidence;
- (ii) The damage suffered by the claimant substantially derived from concurrent negligence or offence on its behalf in relation to the damage it suffered and to its underlying cause.

Upon completion of the valuation, the ICF:

- (i) Issues minutes listing the Clients of the Company which are compensation beneficiaries along with the amount of money each one of them is entitled to receive, and, communicates it to CySEC and the Company within five (5) working days from its issue; and
- (ii) Communicates to each affected Client its finding no later than fifteen (15) days from the issue of the aforementioned minutes determining the total compensation amount this Client is entitled to receive.

5 COMPENSATION AMOUNT

The amount of compensation payable to each covered Client is calculated in accordance with the legal and contractual terms governing the relation of the covered Client with the Company, subject to the off-set rules applied for the calculations of the Claims between the covered Client and the Company.

The Calculation of the compensation payable derived from the sum of the total established claims of the covered Clients against the Company, arising from all covered services provided by the Company and regardless of the number of

accounts of which the Client is a beneficiary, the currency and place of provision of these services.

The total payable compensation to each covered Client of the Company may not exceed the amount of twenty thousand Euros (EUR 20,000) or 90% of the covered client's claim, whichever is lower, irrespective of the number of accounts held, currency and place of offering the investment service.

In the case whereby beneficiaries of a joint account of the Company are in their majority covered Clients:

- a. The maximum amount payable to all co-beneficiaries of the account comes up to the amount of twenty thousand Euros (EUR 20,000) person or 90% of the covered client's claim, whichever is lower; and
- b. The compensation is fixed on the whole for all co-beneficiaries of the joint account and is divided amongst them, in the way determined in the agreement between the co-beneficiaries and the Company; otherwise, in the absence of such agreement, it is divided equally amongst them.
